STAGING & DRAPING

Would you like to transform the look and feel of your event space?

Do you need a place to stand for your presentation? We can elevate the aesthetic of your conference using state-of-the-art equipment and design.

Baldwin AV offers high-end staging and draping solutions to have your conference room or venue looking and feeling amazing.

Baldwin AV can provide the following:

- Custom, adjustable staging in a multitude of sizes/heights
- Clean, carpeted staging decks
- Draping as backdrop/background in a variety of company colours
- Custom plexiglass and tabletop podiums including the industry standard VH1 podium
- Wheelchair ramps for accessibility
