

VISUALS

Do you wish to include visuals as part of your event?

Providing your audience with immersive content will take your presentation to the next level and help your audience better engage with your material. Baldwin AV offers custom solutions to help captivate your audience.

Baldwin AV can provide the following:

- HD projectors with brightness from 3,500 to 20,000 lumens
- Tripod and large format projection screens including black drapery framing kits
- TV monitors up to 90", mounted in a multitude of configurations
- Multi-lingual presentation set-ups
- Fully loaded laptops and wireless presentation remotes
- Simultaneous control over laptops for multi-lingual events
- Seamless video and production switchers
- Teleprompting services including equipment and an operator
- Comfort or confidence monitors to allow presenters to see their presentation material and/or speaker notes
- Social media walls to help further engage with your audience and create an additional layer of marketing for your brand and event. Can include social media platforms in one wall such as Instagram, Twitter, Facebook, LinkedIn, Pinterest
